“SEC. XXX. RESERVE FUND TO STRENGTHEN SOCIAL SECURITY.—If legislation is reported by the Senate Committee on Finance, or an amendment thereto is offered or a conference report thereon is submitted that would strengthen Social Security and extend the solvency of the Social Security Trust Funds, the Chairman of the Senate Committee on the Budget may revise the aggregates, functional totals, allocations, and other appropriate levels and limits in this resolution by up to \$1,214,000,000,000 in budget authority and outlays for the total of fiscal years 2003 through 2013.

**SA 267.** Mr. LAUTENBERG submitted an amendment intended to be proposed by him to the concurrent resolution S. Con. Res. 23, setting forth the congressional budget for the United States Governments for fiscal year 2004 and including the appropriate budgetary levels for fiscal year 2003 and for fiscal years 2005 through 2013; which was ordered to lie on the table; as follows:

On page 79, after line 22, add the following:

**SEC. 308. FUSION ENERGY RESEARCH.**

(a) FINDINGS.—The Senate finds that—

(1) fusion energy is capable of producing clean, safe, and inexpensive energy;

(2) in January 2003, the President announced an International Thermonuclear Experimental Reactor Initiative to promote the advancement of fusion science;

(3) the contributions of American universities and laboratories to the Department of Energy's Fusion Energy Sciences Program are crucial to the success of the Nation's role in that initiative; and

(4) a letter from the Fusion Energy Sciences Advisory Committee to the Department of Energy referred to the Administration's 2004 budget cuts as “alarming” and “devastating” to the success of that program at Princeton University.

(b) SENSE OF THE SENATE.—It is the sense of the Senate that the funding levels in this resolution assume that funding for the Fusion Energy Sciences Program will be increased by \$78,000,000, to the authorized level of \$335,000,000.

**SA 268.** Mr. GRAHAM of South Carolina submitted an amendment intended to be proposed by him to the concurrent resolution S. Con. Res. 23, setting forth the congressional budget for the United States Governments for fiscal year 2004 and including the appropriate budgetary levels for fiscal year 2003 and for fiscal years 2005 through 2013; which was ordered to lie on the table; as follows:

On page 79, after line 22, add the following:

**SEC. 308. SOCIAL SECURITY RESTRUCTURING.**

(a) FINDINGS.—The Senate finds that—

(1) Social Security is the foundation of retirement income for most Americans;

(2) preserving and strengthening the long term viability of Social Security is a vital national priority and is essential for the retirement security of today's working Americans, current and future retirees, and their families;

(3) Social Security faces significant fiscal and demographic pressures;

(4) the nonpartisan Office of the Chief Actuary at the Social Security Administration reports that—

(A) the number of workers paying taxes to support each Social Security beneficiary has dropped from 16.5 in 1950 to 3.3 in 2002;

(B) within a generation there will be only 2 workers to support each retiree, which will substantially increase the financial burden on American workers;

(C) the implementation of a Social Security “lockbox” would have no direct effect on the future solvency of Social Security;

(D) without structural reform, the Social Security system, beginning in 2018, will pay out more in benefits than it will collect in taxes;

(E) without structural reform, the Social Security system, by 2042, will be insolvent and unable to pay full benefits on time;

(F) without structural reform, Social Security tax revenue in 2042 will only cover 73 percent of promised benefits, and will decrease to 65 percent by 2077;

(G) without structural reform, payroll taxes will have to be raised 50 percent over the next 75 years to pay full benefits on time, resulting in payroll tax rates of 16.9 percent by 2042 and 18.9 percent by 2077;

(H) without structural reform, Social Security's total cash shortfall over the next 75 years is estimated to be more than \$25,000,000,000,000 in constant 2003 dollars;

(I) without structural reform, real rates of return on Social Security contributions will continue to decline dramatically for all workers; and

(J) absent structural reforms, spending on Social Security will increase from 4.4 percent of gross domestic product in 2003 to 7.0 percent in 2077; and

(5) the Congressional Budget Office, the General Accounting Office, the Congressional Research Service, the Chairman of the Federal Reserve Board, and the President's Commission to Strengthen Social Security have all warned that failure to enact fiscally responsible Social Security reform quickly will result in 1 or more of the following:

(A) Higher tax rates.

(B) Lower Social Security benefit levels.

(C) Increased Federal debt.

(b) SENSE OF THE SENATE.—It is the sense of the Senate that the President and Congress should work together at the earliest opportunity to enact legislation to achieve a solvent and permanently sustainable Social Security system.

(a) FINDING.—On January 17, 2003, at his confirmation hearing to be Secretary of Homeland Security, Tom Ridge stated, “[W]hen anyone uses a firearm, whether it’s the kind of terrorism that we are trying to combat with Al Qaeda and these non-state terrorists, or as a former district attorney involved in the conviction of an individual who used firearms against innocent citizens, regardless of how we define terrorism, that individual and that family felt that they were victims of a terrorist act. Brandishing a firearm in front of anybody under any set

**SEC. 308. FUNDING FOR DEPARTMENT OF JUSTICE COMMUNITY ORIENTED POLICING SERVICES PROGRAMS.**

(a) FINDINGS.—The Senate finds that—

(1) State and local law enforcement officers provide essential services that preserve and protect our freedom and safety;

(2) with the support of the Community Oriented Policing Services program (referred to in this section as the "COPS program"), State and local law enforcement officers have succeeded in dramatically reducing violent crime;

(3) the COPS program is the only program in the Federal government that provides homeland security resources directly to law enforcement first responders;

(4) on July 15, 2002, the Attorney General stated, "Since law enforcement agencies began partnering with citizens through community policing, we've seen significant drops in crime rates. COPS provides resources that reflect our national priority of terrorism prevention.";

(5) On February 26, 2002, the Attorney General stated, "The COPS program has been a miraculous sort of success. It's one of those things that Congress hopes will happen when it sets up a program.";

(6) the Federal Bureau of Investigation's Assistant Director for the Office of Law Enforcement Coordination has stated, "The FBI fully understands that our success in the fight against terrorism is directly related to the strength of our relationship with our State and local partners.";

(7) as a result of the COPS program, State and local law enforcement agencies have received funds for more than 117,000 officers,

87,300 of whom are on the beat, fighting crime, and improving the quality of life in our neighborhoods and schools;

(8) the COPS program has assisted in advancing community policing nationwide;

(9) 86 percent of the Nation is served by a law enforcement agency that has full-time officers engaged in community policing activities;

(10) the continuation and full funding of the COPS program through fiscal year 2009 is supported by several major law enforcement organizations, including—

(A) the International Association of Chiefs of Police;

(B) the International Brotherhood of Police Officers;

(C) the Fraternal Order of Police;

(D) the National Sheriffs' Association;

(E) the National Troopers Coalition;

(F) the Federal Law Enforcement Officers Association;

(G) the National Association of Police Organizations;

(H) the National Organization of Black Law Enforcement Executives;

(I) the Police Executive Research Forum; and

(J) the Major Cities Chiefs;

(11) several studies have concluded that the implementation of community policing as a law enforcement strategy is an important factor in the reduction of crime in our communities;

(12) Congress appropriated \$1,050,000,000 for the COPS program for fiscal year 2002 and \$928,900,000 for fiscal 2003; and

(13) the President requested \$164,000,000 for the COPS program for fiscal year 2004, \$886,000,000 less than the amount appropriated for fiscal year 2002.

(b) SENSE OF THE SENATE.—It is the sense of the Senate that the levels in this resolution assume that an increase of \$1,000,000,000 for fiscal year 2004 for the Department of Justice's community oriented policing program will be provided without reduction and consistent with previous appropriated and authorized levels.

**SA. 274.** Mr. GRAHAM of South Carolina submitted an amendment intended to be proposed by him to the concurrent resolution S. Con. Res. 23, setting forth the congressional budget for the United States Governments for fiscal year 2004 and including the appropriate budgetary levels for fiscal year 2003 and for fiscal years 2005 through 2013; which was ordered to lie on the table; as follows:

On page 79, after line 22, add the following:  
**SEC. 308. SOCIAL SECURITY RESTRUCTURING.**

(a) FINDINGS.—The Senate finds that—

(1) Social Security is the foundation of retirement income for most Americans;

(2) preserving and strengthening the long term viability of Social Security is a vital national priority and is essential for the retirement security of today's working Americans, current and future retirees, and their families;

(3) Social Security faces significant fiscal and demographic pressures;

(4) the nonpartisan Office of the Chief Actuary at the Social Security Administration reports that—

(A) the number of workers paying taxes to support each Social Security beneficiary has dropped from 16.5 in 1950 to 3.3 in 2002;

(B) within a generation there will be only 2 workers to support each retiree, which will substantially increase the financial burden on American workers;

(C) the implementation of a Social Security "lockbox" would have no direct effect on the future solvency of Social Security;

(D) without structural reform, the Social Security system, beginning in 2018, will pay out more in benefits than it will collect in taxes;

(E) without structural reform, the Social Security system, by 2042, will be insolvent and unable to pay full benefits on time;

(F) without structural reform, Social Security tax revenue in 2042 will only cover 73 percent of promised benefits, and will decrease to 65 percent by 2077;

(G) without structural reform, payroll taxes will have to be raised 50 percent over the next 75 years to pay full benefits on time, resulting in payroll tax rates of 16.9 percent by 2042 and 18.9 percent by 2077;

(H) without structural reform, Social Security's total cash shortfall over the next 75 years is estimated to be more than \$25,000,000,000 in constant 2003 dollars;

(I) without structural reform, real rates of return on Social Security contributions will continue to decline dramatically for all workers; and

(J) absent structural reforms, spending on Social Security will increase from 4.4 percent of gross domestic product in 2003 to 7.0 percent in 2077; and

(5) the Congressional Budget Office, the General Accounting Office, the Congressional Research Service, the Chairman of the Federal Reserve Board, and the President's Commission to Strengthen Social Security have all warned that failure to enact fiscally responsible Social Security reform quickly will result in 1 or more of the following:

(A) Higher tax rates.

(B) Lower Social Security benefit levels.

(C) Increased Federal debt.

(b) SENSE OF THE SENATE.—It is the sense of the Senate that—

(1) the President and Congress should work together at the earliest opportunity to enact legislation to achieve a solvent and permanently sustainable Social Security system; and

(2) Social Security reform—

(A) must protect current and near retirees from any changes to Social Security benefits;

(B) must preserve Social Security's disability and survivors insurance programs;

(C) must not allow the government to invest directly the Social Security trust funds in the stock market;

(D) must not raise Social Security payroll tax rates;

(E) must reduce the pressure on future taxpayers and on other budgetary priorities;

(F) must provide competitive rates of return on Social Security contributions; and

(G) must preserve and strengthen the safety net for vulnerable populations.
